

Helping add value to your employee health plan at no additional cost

Eligible employees have access to a 1-year Apple Fitness+ subscription at no additional cost.* The first fitness service powered by Apple Watch.

Adding value to your benefits may help inspire healthier behavior:

- \$79 value per employee can be shared with up to 5 family members**
- A single, comprehensive offering for various fitness levels—powered by Apple Watch*
- Access to on-demand workouts on iPhone, iPad and Apple TV, with new workouts and meditations added every week

*NOTE: Apple Fitness+ requires Apple Watch Series 3 or later with watchOS 7.2 or later and one of the following Apple devices: iPhone 6s or later with iOS 14.3 or later, iPad with iPadOS 14.3 or later, or Apple TV with tvOS 14.3 or later. Available to applicable UnitedHealthcare plans for fully insured customers. Subject to state legal and regulatory review. Membership is \$9.99/month or \$79.99/year, if paid annually.

**Must be 13 years of age or older and covered under applicable UnitedHealthcare health plan.

Quick access to workouts

- Choose the workout type
- Select a duration from 5–45 minutes
- Pick a favorite trainer and type of music

Designed to meet employees' unique needs

Apple Fitness+ may help employees achieve their goals, regardless of fitness level. It offers:

- ✓ 11 workout types, including high-intensity interval training (HIIT), yoga, treadmill, rowing, dancing, cycling, core, strength, Pilates, walking and more
- ✓ Curated programs for specific interests (such as Workouts for Beginners, Workouts for Pregnancy and Workouts for Older Adults)
- ✓ New workouts and meditations added weekly
- ✓ Personal recommendations

Designed to help keep employees engaged and motivated

Apple Watch personalizes the Apple Fitness+ experience by displaying personal metrics onscreen during every workout, such as heart rate and calories burned. To use Apple Fitness+, an Apple Watch Series 3 or later is required.

On certain workouts, the Burn Bar provides an added push, showing participants how they stack up against others who have participated in the same workout. Participants can listen to playlists chosen by trainers to complement the workout, and Apple Music subscribers can save and download Fitness+ playlists.
